Lot 1 — G K BUTLER. Sons of Whitehall Blueprint are quite well known in Western Illinois sales, having topped the Shorthorn division of both the 1962 and 1963 sales. Blueprint is now dead, so there will not be very many more chances to buy sons. G K Butler was in our show herd last summer. His dam is of the famous Marellbar Jilt family and was the top selling female of the 1959 Pike County sale at less than year of age. An excellent bull with sufficient age and size to go to work. Consigned by the Illinois State FFA president.

SHORTHORNS ARE "BEST IN EVERY WEIGH"

There are cattle in this sale for purebred and commercial herds. No other consignment sale is being held in this area this spring. There will be no "Sale of Satisfied Buyers" at Knoxville this year.
